Why support the Read A Thon?

The Turtle Lake Read-A-Thon has the potential to be the biggest fundraiser of the year, restoring the PTA budget to pre-pandemic levels! This means support for classroom materials, artists in residence, on-site and off-site field trips, access to new technology, new books for the library, the 5th grade celebration, grade level socials and family nights, charitable projects for students and their families, and special grade level and classroom projects. Keep an eye on Turtle Lake social media throughout the month of February to find out how staff use this money.
